CHRISTIAN EDUCATION

Christian Education is a series of classes that covers a wide range of topics that have been selected to promote the knowledge and understanding of God's Word and to aid in personal and relational growth. As we study the Word of God and related curriculum, we seek to find practical applications for everyday Christian living.

CHRISTIAN EDUCATION

HOMEWORK

There is no required homework; however, there may be recommended reading to further your education.

ABSENCE

We understand that life is busy and things come up; therefore, it's okay if you miss a class. Depending on the teacher, there may be notes or an outline if you wish to get caught up on anything you may have missed.

CHILDCARE

Yes, childcare is available. If your children will be attending more than one service while you participate in a Christian Education class, we want to let you know of an option available to you. Children may attend the ABC Class if they have already been or will be attending a Children's Ministry class (3 -12 year olds). Just check your child(ren) into their classroom(s) as you would when attending a weekend service.

This lost world needs to hear and believe the Gospel of God, so when unbelievers ask questions about the truth and rationality of Christianity, we must be ready with sufficient answers, trusting in the Holy Spirit to apply the message to their souls (Acts 1:8).
