

CALVARY KIDS CARE

# Parent Newsletter June 2017

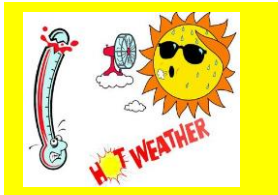

**Pet Month – we will be having visiting pets this month ----**

**Summer is here!!**

... God created great sea creatures and every living thing..." Genesis 1:21

## Water Days on Tue and Thurs beginning June 6<sup>th</sup>!

See teacher info for details!!!!

**Please keep in mind how hot it is getting outside. We will be going outside every day, but will limit our time if it is too hot. We will make sure your children drink plenty of water and keep them safe.**

**If you haven't registered for VPK- now is the time!**

**Issues At home? School?**

**Parenting Class Coming in July -**

Miss Suders class is a praying class and we are seeing beautiful things! – she teaches the children to pray for each other when they are having a difficult time (especially at nap). Well, she started with one child praying for another. A few days later, the one being prayed for decided to pray for another child who needed it. Well, once again the second child who was being prayed for became the one who prayed for yet another! Now, that's a prayer chain!

**A funny** – We are always teaching the children about making good choices and asking is that a good choice? Well, one day, Miss Rachel Gilson was on the playground and she threw down an outdoor flat block and stomped her feet to stand on it and the teacher asked her what she was doing - she replied with gusto, "I am making a good choice!"
