12TH ANNUAL
WORSHIP
WORKSHOP
IN THE WOODS

JOIN US IN THE WOODS at Boyd Hill Nature Park (located in south St Petersburg, near the Skyway) for a weekend of focused guitar instruction geared to help players learn to accompany themselves and others in worship and praise.

Worship Workshop in the Woods is a kick-start for beginning guitarists and a chance for more experienced players to freshen and expand their skills. The workshop begins 5 pm Friday with sign-in, followed by a light dinner. We end the workshop after our "church service," around noon on Sunday.

IT'S NOT ALL WORK. Several times we'll get together for worship, sharing, and learning from Scripture about the heart of simple worship. Both nights close with sharing and learning songs around the giant fire circle.

COST: The workshop is \$55, which includes 5 meals and an instruction notebook. T-shirts are an extra \$18 per shirt. Please make checks payable to Barnabas Music Ministries, Inc. Space is limited, so we must process registrations on a first-come, first-serve basis. **Your registration form must include payment.**

LODGING/AMENITIES: Rustic cabins (men and women separate) are available on request until the cabins are full (*check box on registration form*). Primitive campsites (for tents and campers) are also available (no utility hookups). Public bathrooms and showers are located near the lodging area. Many people choose to go home and sleep in their own cozy bunk.

Please, only serious learners age 13 and older may attend this event. Liability forms will be required for all participants; those under the age of 18 who attend without their parent/guardian must have their form notarized. Details, maps, and liability forms will be included with your registration confirmation letter.
