

2019

A MOVEMENT OF THE GOSPEL.

CALVARY CHAPEL ST. PETERSBURG
ANNUAL REPORT

2019

RYAN & CHRISTINE MARR

THE YEAR OF ACTION.

As a church, we are committed to being a movement of the gospel of Jesus for all people. The gospel reveals that we are more wicked than we know, but more loved than we could ever imagine. One way in which we become a movement is through our calling to royal priesthood, representing the gospel in every aspect of our lives. The gospel not only transforms us, but also simultaneously manifests its power in our relationships, neighborhoods and workplaces.

In 1 Peter, we learn about this responsibility: *"But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light."* 1 Peter 2:9

Throughout 2019, we focused our attention on being a movement through gospel-centered teaching, community, multiplication and service and we wanted to share that journey with you. Thank you for your continued support of our church as a movement of the gospel of Jesus for all people.

Your fellow servant,
Lead Pastor Ryan Marr

MISSION & VISION

GOSPEL-CENTERED TEACHING

Before Jesus' ascension, He commanded His disciples to take His teachings and share them with the people of the nations. Jesus would then empower His disciples through the Holy Spirit. When the disciples were empowered by this Spirit, they traveled to share the news of Jesus' kingdom, His forgiveness of our sin through the cross, His resurrection and ultimately the defeat of the enemy. This news, the gospel, was the news that brought hope, change, and power over the darkness.

GOSPEL-CENTERED COMMUNITY

Community is a place where people gather as the church to sing, hear God's word, and to seek to work out the things we are learning in small group settings. These are places where we can reflect and participate in what it means to be a community marked by the gospel of Jesus.

GOSPEL-CENTERED MULTIPLICATION

As we look to the future, we look at the work of the church in planting other churches, partnering to develop church leaders, and teaching Jesus' commands by bringing them to the heart of people throughout the world.

GOSPEL-CENTERED SERVING

Service is looking for practical ways to minister to people because of the gospel. Whether this is through bringing a meal to someone, helping them practically around in their home, or finding ways to serve the community, the gospel frees us to invest into others through acts of service.
