The Walls Rebuilt

Nehemiah 1-6

STORY POINT: GOD USED NEHEMIAH TO REBUILD JERUSALEM'S WALLS.

God's people had lived in Babylon for 70 years. Then King Cyrus, the king of Persia, took over Babylon and let them go home. Nehemiah stayed and worked for the king of Persia. One day, some men came from Judah. Nehemiah asked, "How are God's people doing in Jerusalem?" The men had bad news: "The people are in trouble. The walls around Jerusalem are broken down, and the gates have been burned down."

Nehemiah cried. The king asked, "What's wrong?" Nehemiah said, "The city where my ancestors are from is in ruins."

The king sent Nehemiah to Jerusalem. Nehemiah inspected the walls and led the people to start rebuilding the walls and gates. Not everyone was happy that Jerusalem's walls were being rebuilt. Some men who lived nearby were angry. God's people kept working on the walls, but their enemies made a plan to attack them and stop their work.

Nehemiah reminded the people that God was with them. "Don't be afraid. God is great and powerful!"

So God's people went back to work. Some stood guard with weapons, and others worked on the wall. In just 52 days, the wall was complete! All of Jerusalem's enemies were afraid because they knew God was with His people.

Christ Connection: Nehemiah led the people to rebuild the walls around Jerusalem to protect them from their enemies. Jesus came to protect us from our greatest enemy, sin and death. He died on the cross and rose from the dead to rescue everyone who trusts in Him.
