

CELEBRATING WHAT GOD DID IN 2022

2022 ANNUAL REPORT
CALVARY CHAPEL ST. PETE

PASTOR RYAN MARR

When I look back at 2022, I see a year of partnership and collaboration. Through joining forces, both locally and globally, we can make a positive impact in our world that reflects God's saving grace in our own lives.

Personally, I was encouraged and challenged teaching through the book of Revelation. God is calling his church to remain faithful to Jesus and endure for His glory.

"This calls for patient endurance on the part of the people of God who keep his commands and remain faithful to Jesus." - Revelation 14:12

Such profound truth drives us to illustrate God's love for the world and our local community.

Globally, we were honored to expand our connection with our missionaries and the people of Tanzania. Providing sponsorship and resources for new men and women bible studies and classes. It was an incredible experience to travel to Tanzania and personally meet the students and church planters we are able to support.

Locally, we were able to do this through providing food for people in need, helping our neighbors learn English, and providing aid to areas of Florida that were affected by a hurricane. It was truly inspiring to join forces with people who professed their faith in Jesus and made a public declaration of their commitment by being baptized.

We are thankful for your financial support, willingness to volunteer, and participation in 2022. At Calvary, we are striving to be a movement of the Gospel of Jesus for all people and we look forward to continuing to expand in the coming year.

MISSION & VISION

GOSPEL-CENTERED TEACHING

Before Jesus' ascension, He commanded His disciples to take His teachings and share them with the people of the nations. Jesus would then empower His disciples through the Holy Spirit. When the disciples were empowered by this Spirit, they traveled to share the news of Jesus' kingdom, His forgiveness of our sin through the cross, His resurrection and ultimately the defeat of the enemy. This news, the gospel, was the news that brought hope, change, and power over the darkness.

GOSPEL-CENTERED COMMUNITY

Community is a place where people gather as the church to sing, hear God's word, and to seek to work out the things we are learning in small groups. These are places where we can reflect and participate in what it means to be a community marked by the gospel of Jesus.

GOSPEL-CENTERED MULTIPLICATION

As we look to the future, we look at the work of the church in planting other churches, partnering to develop church leaders, and teaching Jesus' commands by bringing them to the heart of people throughout the world.

GOSPEL-CENTERED SERVING

Service is looking for practical ways to minister to people because of the gospel. Whether this is through bringing a meal to someone, helping them practically around in their home, or finding ways to serve the community, the gospel frees us to invest into others through acts of service.

TEACHING

Lead Pastor, Ryan Marr
Easter 2022

Teaching is essential for our growth and development in our knowledge of Jesus and how the Gospel impacts our lives. This year provided plenty of insightful moments as we studied Revelation and its message to endure and remain devoted to Jesus. Revelation is now one of my favorite books in the whole Bible. I have new insight into the story of God's victory and the results of His marvelous work of New Creation. What beautiful news for our lives today!

Then I saw "a new heaven and a new earth," for the first heaven and the first earth had passed away, and there was no longer any sea. - Revelation 21:1

COMMUNITY

Here at Calvary Chapel, we are intentional about providing people with opportunities to meet with one another to worship, fellowship and most importantly study God's word together. Our monthly Wednesday Night Community dinner events create a comfortable place for the entire church body to fellowship before the mid-week service and youth group service.

MULTIPLICATION

Men of Arms Yard Clean-Up

In 2022, Calvary Chapel St. Petersburg ministered to people from 22 different countries through our ESL program, started an ESL Bible Study, and sent three people to Tanzania to help with a Bible training program. We also held a Missions Dinner to encourage our church to think and live missionally, and led local community trainings and events like Baptism classes, a Sharing Your Faith class, and a "Get to Know Us" meeting. Through these ministries, we seek to be a movement of the gospel, spreading God's love and transforming lives.

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." - Matthew 28:19-20

SERVING

Our ministry takes place both within our church and with the community around us. As we generously serve in our local community and share the love of God through practical acts of kindness, we develop more compassion and a deeper understanding of God's love for us. Simple acts of selfless love can open hearts to Jesus, and together we can make a difference!

CALVARY KIDS & PRESCHOOL

Looking back at the year, we are grateful for the community of families that have joined us at Calvary Kids. Our vision is to see our children grow in their relationship with the Lord and have a heart that hears from God. We are thankful for the opportunity to provide a safe environment where kids can experience the life-changing love of Jesus Christ, make friends, participate in worship and have fun! We had an amazing VBS this year and family events together! We appreciate your partnership in discipling your children and our Gospel-centered teaching that goes through the entire Bible.

The ultimate goal at our preschool is to provide a safe space where we can prepare children for kindergarten and share with them the love and knowledge of Jesus Christ. We want each family to know how valuable they are to God. We have expanded the size of our staff so that we can serve more families within our community.
