

A PRAYER FOR VBS

In Your mercy, Lord, draw every child closer to you this week

Let Your truth take root in young hearts

Lead each volunteer with wisdom, patience & joy

Use every lesson, conversation, and activity for your glory

May your light shine through each person who serves

Ignite passion for Your Word

Nurture faith that continues long after VBS has finished

And protect each child, family, and volunteer with Your care

Teach us as a church to support and encourage this ministry

In moments both planned and unexpected, reveal Your goodness

Open eyes to see Jesus clearly and respond to His love

Now may this week bear lasting fruit for Your kingdom

AMEN
